

Aitkin County Water Management Plan
June 2009
By the
Aitkin County Water Planning Task Force
And the
Aitkin County Soil and Water Conservation
District

This Aitkin County Water Plan has been divided into five sections in order to better organize and make the plan more user friendly:

- I. Executive Summary**
- II. Priority Concerns Scoping Document**
- III. Aitkin County Large Lakes Assessment (6 lakes)**
- IV. Historical and current data**
- V. Plan of action**
